~ Notes ~

1. A Rowing Consent Form must be completed for all members under the age of 18.
2. All members of a crew must choose the same membership payment option and must submit their forms and payments together.
3. Race entries paid on the day are £5.00 per member per race and must be paid in full for all crew members at the time of race registration. Failure to do so can result in non-acceptance of race entry.
4. To use the GYC facilities after certain races, the GRC have agreed to pay the sum of £1.00 per member per visit. This payment has been factored into the membership costs detailed above.
5. Single day membership remains unchanged at £3.00. Single day members will also be required to pay race entries unless the seat they are filling was paid for under the £95.00 option. People applying for single day membership can only do so 3 times before they are obliged to become a full racing member.
6. Cheques are payable to the Guernsey Rowing Club
